2011-12 BUDGET GOAL

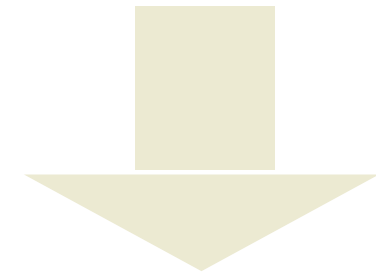

← \$25,000 increase in needs.

← \$50,000 setback since last year.

LAST YEAR'S GOAL: \$800,000

THIS YEAR'S GOAL

\$825,000

As United Way agencies experience cuts in federal, state and local governments, needs for these services grow. Our community lost a major business, including their strong employee campaign. If we reach together, we can maintain the services and support of the agencies that help foster the love and care that drives our area communities.

IF EVERY DONOR COLLECTIVELY INCREASED THEIR DONATION FROM LAST YEAR BY 9.375% WE COULD MEET THIS YEARS GOAL... THIS YEAR'S NEED.
